We're meeting at Doctors Hospital, Classroom C, at 10 a.m. to get our vests, to see a brief video, and to begin cleanup. We are currently working on the schedule of cleanups for the rest of the year. Westland Area Business Association

In 1990, The Westland Area Business Association became an incorporated not-for-profit association as a result of the Business Supporting Our Schools Association. While a major focus of WABA is supporting our local school system, our mission lies in supporting local businesses and promoting commitment within the community.

Out of this mission arose several major objectives, including the following:

- Building and strengthening the economic climate of the Westland Area
- Creating a partnership among business, school, and community entities
- Promoting the Westland Area as a desirable place to live, and work

- Continuing planned development of the Westland Area
- Supporting and improving area businesses

Any business, association, individual, school, church, institution or corporation may become a WABA member. They will receive one voice and one vote. An employee of a WABA member may join as an “associate” and receive an additional voice and vote.

To learn more about the Westland Area Business Association, or to become a member, please contact Greg Burke, President, at (614) 851-7000, or via email at greg_burke@swcs.k12.oh.us.
